

DOME SYMMETRIC

Lbs	RG	DIFF
16	2.51	.040
15	2.52	.040
14	2.54	.040
13	2.58	.040
12	2.60	.040

Factory Finish: 1500 Grit, Polished

The S60™ Solid Coverstock retains plenty of energy and responsiveness while creating moderate overall friction potential.

The Dome™ Symmetric core creates an angular shape downlane with increased continuation and drive.
