

**BREAK ASYMMETRIC**

Lbs	RG	DIFF	INT
12	2.62	.040	.008
13	2.60	.040	.008
14	2.53	.043	.017
15	2.52	.044	.017
16	2.50	.045	.017

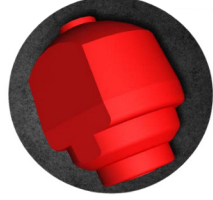

Factory Finish: 1500 Grit Polished

The S70™ Coverstock now comes in a Hybrid and like the solid provides the perfect blend of friction and backend. The Break™ Asymmetric core has been modified to provide a cleaner look through the front of the lane before making that patented backend move it is known for. Use the Special Ops™ on medium lane conditions.
