Fusion™ Solid Reactive	2000 Grit Sanded	7" +	14"	10"	57"

* Projected Data

OUT OF THE BOX CHARACTERISTICS:

The Raptor Talon™ features the proven Predator™ core, which is an asymmetric beast. The core revs easily and produces massive track flare. The Raptor Talon™ encases the Predator™ core with our new Fusion™ Solid Reactive shell. It starts to hook in the oil and does not stop. There is no quit in this ball! The power through the pins is incredible!
