

C.A.M.™ CORE

The uniquely-contoured C.A.M.™ weight block creates a strong midlane to backend transition

LBS.	16	2.55	.052
RG	15	2.57	.048
DIFF	14	2.61	.041
	13	2.59	.045
	12	2.65	.035

The 1000-grit PFT™ (Progressive Friction Technology) solid reactive coverstock creates more friction by digging deep through the oil

Factory Finish: 1000-grit

Franchise: Blueberry

COVERSTOCK

The new Reign of Power's combination of coverstock and weight block helps create maximum power at the pins

More Info: stormbowling.com

More Flip Cards: bowlingdisplays.com
